

CHEMICLEAN PRODUCTS

TECHNICAL INFORMATION SHEET

CP 959 – ALL PURPOSE CAR POLISH

A liquid car polish specifically formulated to use on new and used vehicles, also can be used as a pre-delivery inspection-valeting product.

This polish contains carnauba wax to give a gentle but very efficient cleaning and polishing action, leaving a very high gloss.

Directions for Use

Shake well before using. Wash and rinse the vehicle before applying polish with a soft lint free cloth. Allow to dry and then polish off.

Health and Safety

Flammable. No smoking whilst using this product. Keep away from sources of ignition. In case of contact with the eyes, rinse immediately with plenty of water and seek medical advice.

Please refer to Health & Safety Data Sheet.

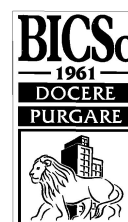

Packaging

4 x 5 litre plastic bottles contained in a strong cardboard outer carton.

Storage

Store away from heat. Shelf life unopened approx 1 year.
