

CHEMICLEAN PRODUCTS

TECHNICAL INFORMATION SHEET

COCKPIT CLEANER

A white silicone emulsion with a slightly citrus perfume designed to clean and leave a gloss finish on all vinyl trims in one operation

Directions for Use

Apply with a lint free cloth, wipe and leave to dry. Heavily soiled areas should be cleaned first with **Biochem**, then be allowed to dry before using **Cockpit Cleaner**

CP 909 - RUBBER DRESSING

A white emulsion designed to clean and leave a water resistant gloss finish on all rubber trims, tyres, floor mats and door trims etc. Especially useful for second hand vehicles, as it will enhance the vehicles appearance

Directions for Use

Spray or wipe directly onto the surface, then wipe off with a light buffing action

CP 968 - PLASTIC BUMPER DRESSING

A sophisticated blend of water resistant solvents and gloss enhancing agents, formulated to renovate discoloured bumpers that have aged or have lost their manufacturers appearance. Also cleans and leaves a weather resistant satin gloss finish

Directions for Use

Apply with a lint free cloth and leave to dry
