## TECHNICAL INFORMATION SHEET

### CRUSADER

### CARPET EXTRACTION & UPHOLSTERY CLEANER

**CRUSADER** blends controlled foaming detergents with brightening agents to leave carpets thoroughly clean and spot-free when used through a soil extraction machine. **CRUSADER** is designed for the commercial user, who has large areas to clean, that maybe heavily soiled.

#### Features

**Concentrated**

**Dry Residue**

**Controlled Foam**

**Eliminates Foam**

**Biodegradable**

#### Benefits

Can be diluted with up to 60 parts of water

On drying, **CRUSADER** does not leave a sticky residue

**CRUSADER** is a low foaming detergent. No need to use a defoamer in the pick-up chamber of the machine

Lemon scented **CRUSADER** deodorises your carpets leaving them clean and odour-free

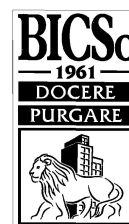

Will not affect the natural bacteria found in sewage systems in either hard or soft water areas

#### Directions for Use

Dilute **CRUSADER** with up to 40 parts of water. Add solution to the main wash tank. Apply to area being cleaned removing residue using vacuum pick up. Allow to dry before opening to traffic. To prevent staining from furniture legs, place either aluminium foil or plastic sheeting underneath furniture as a precautionary measure. In very heavily soiled areas, use a stronger solution of **CRUSADER** or pre-spray using **SPOT- Carpet Stain Remover** and allow several minutes for penetration before machine cleaning.

**N.B.** Test carpet for colourfastness by spraying diluted product onto an inconspicuous area first
