TECHNICAL INFORMATION SHEET

TORNADO

White Viscous Paste Hand Cleaner

TORNADO is a fast acting viscous paste hand cleaner made from a blend of soaps, skin friendly (surface acting) cleaning agents and contains no aggressive solvents such as Paraffin or other petroleum based solvents to dry your hands. **TORNADO** has been specially formulated to remove Oil, Grease and Polishing Compound.

Features

Benefits

Powerful

TORNADO is a thick cream paste formulated from a blend of soaps and cleaning agents, that produce a rich lather, which removes Oil, Grease, Polishing Compound and most stubborn grime and dirt.

Versatile

TORNADO can be used on wet or dry hands in most industries.

Safe

TORNADO is a blend of soft soaps and skin friendly cleaning agents. **TORNADO** contains no paraffin or aggressive solvents that will dry your hands.

Can be used by people with hyper-sensitive skin reducing the risk of dermatitis.

Economical

TORNADO can be used through a dispenser - so there is no waste or risk of cross infection.

Directions For Use

Rub a small amount of **TORNADO** into the hands, then add small amount of water and wash hands creating a lather, then rinse hands in warm clean water.
