TECHNICAL INFORMATION SHEET

TRIDENT RTU

Ready to Use Degreasing Fluid

TRIDENT RTU is a concentrated emulsifiable solvent degreaser, designed to quickly cut through grease and grime. **TRIDENT RTU** can be diluted with paraffin or white spirit, resulting in extremely low in-use costs

Features

Powerful

Benefits

The powerful blend of solvents rapidly cuts through very heavy deposits of grease and grime

Economical

Can be used "Ready to Use" or diluted with up to 4 parts of paraffinic solvent for maximum economy

Versatile

TRIDENT RTU can be used for general degreasing of engines, oils and grease on floors, metal parts, plant and equipment

Safe

TRIDENT RTU is non-caustic and non-alkaline, has no unpleasant fumes and is safe to use on most painted surfaces

Biodegradable

Completely biodegradable in both hard and soft water areas

Directions for Use

Normal Degreasing: Before use, dilute **TRIDENT RTU** with up to 8 parts of a suitable Paraffinic solvent i.e. white spirit, turpentine substitute, gas, oil etc. Even higher dilutions are possible in many applications. **TRIDENT RTU** can be sprayed, mopped or poured onto the area to be cleaned, allowing a few minutes penetration time. Then hose off with water. **TRIDENT RTU** is also suitable for dip tank operations. Allow a suitable contact period before removing and hosing clean with water

Steam Cleaning: **TRIDENT RTU** can also be used through a pressure washer. Simply dilute with up to 10 parts of paraffinic solvent and use through the machine at a setting of 2 - 5% depending upon the degree of soiling
