TECHNICAL INFORMATION SHEET

BIOCLENSE

Bactericidal Heavy Duty Cleaner and Degreaser

BIOCLENSE is a specialised cleaner and degreaser which readily emulsifies animal fats, blood, protein, vegetable oils and general grime. **BIOCLENSE** is suitable for a wide variety of cleaning operations, including worktops, floors and walls, and because of its non-tainting bactericidal properties it is particularly suitable for kitchen hygiene operations. **BIOCLENSE** is manufactured to conform to BS. EN. 1276.

Features

Bactericidal

Biodegradable

Economical

Effective

**Un-perfumed
Safe**

Benefits

BIOCLENSE contains a quaternary ammonium biocide, which is active against a broad spectrum of bacteria

BIOCLENSE is fully biodegradable in both hard and soft water areas

BIOCLENSE can be diluted with up to 30 parts water

BIOCLENSE is specifically formulated to dissolve grease and grime without the need for hard scrubbing

BIOCLENSE leaves no taint or smell on surfaces
BIOCLENSE is non-flammable and solvent-free

Bactericidal Activity

BIOCLENSE is effective against both gram negative and gram positive bacteria

Micro Organism

Staphylococcus Aureus

Escherichia Coli

Pseudomonas Aeruginosa

Gram Reaction

Gram Positive

Gram Negative

Gram Negative

Occurrence

A major problem in cross infection in hospitals

Can be found on dirty surfaces

Common in contaminated soil and water

BIOCLENSE has an antimicrobial value of 120 when diluted with 120 parts of water

BIOCLENSE will kill 99.99% of E.Coli ATCC 11229 (by independent laboratory tests)
