

CHEMICLEAN PRODUCTS

TECHNICAL INFORMATION SHEET

BUFFER

Spray and Buff Cleaner Concentrate

BUFFER combines detergents polymers and waxes to enable the cleaning and maintenance of hard surfaces

BUFFER is suitable for use with all types of standard and high speed polishing machines and can be used on sealed wood, linoleum, vinyl, thermoplastic and rubber composite floors

Features

Versatile

Safe

Economical

Biodegradable

Benefits

Can be used on most types of hard surfaces, apply by spray or damp mop method

Contains no harsh chemicals, leaves a non-slip gloss finish after use

Only a small amount required to leave a high gloss finish

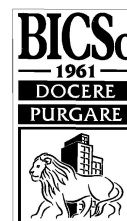

Fully bio-degradable, presents no effluent problems

Directions for Use

Mopping: Dilute **BUFFER** with up to 10 parts of water. Damp mop the floor, leave to dry before polishing with a machine fitted with a buffing pad

Spray Buffing: Dilute **BUFFER** with up to 2 parts of water. Spray in a fine mist and buff to a deep lasting shine using a polishing machine
