TECHNICAL INFORMATION SHEET

LEMON PINE GEL CLEANER

LEMON PINE GEL CLEANER is a highly concentrated bactericidal cleaner, widely used in hotels, offices, sport centres and schools for the daily maintenance of floors

LEMON PINE GEL CLEANER is a blend of natural soaps, combined with the purest grade of pine oil to clean and disinfect all washable surfaces, economically and efficiently, in one operation

Features

Versatile

Benefits

Will clean, disinfect and polish in one labour-saving operation

Wide Application

Can be used for cleaning walls, floors and paintwork in many locations, including schools, hospitals, airports, sports centres and swimming pools

Bactericidal

Contains a high percentage of natural pine oil to kill bacteria and eliminate offensive odours

Concentrated

Only a small amount of **LEMON PINE GEL CLEANER** needed to clean even heavy soiling

Biodegradable

Will not effect the natural bacteria found in sewage systems

Directions for use

Dilute 30-60 mls. of **LEMON PINE GEL CLEANER** per 5 litres of warm water (1-2 fl.ozs. per gallon). Damp mop the solution over the floor. When the residue has dried, the floor may be buffed to a rich gloss Alternatively, spray on the solution and buff with a polishing machine fitted with a tan pad

N.B. Do not exceed the recommended dilution. Rinse the mop head or pad thoroughly with clean water after applying
