## TECHNICAL INFORMATION SHEET

### MERLIN "TW"

#### AUTOMATIC TRAYWASHING DETERGENT

A concentrated liquid detergent for machine tray washing, pot washing and utensil washing, suitable for use on most types of materials and can be dispensed through a Dosing System

#### Features

##### **Economical**

#### Benefits

Only a small amount of **MERLIN "TW"** is necessary to clean a large volume of trays and racks

##### **Effective**

**MERLIN "TW"** will remove all types of heavy soiling such as grease, fat, blood and other proteinaceous matter

##### **Versatile**

Contains powerful softeners which enhance detergency and enable it to be used in hard or soft water conditions

##### **Easy to use**

**MERLIN "TW"** is pumped automatically into the tray washing or pot washing machine through a dosing system

##### **Safe**

Suitable for use on most types of trays and crates including plastic, aluminium and wood

##### **Biodegradable**

Will not affect the natural bacteria found in sewage systems

#### Directions for use

**MERLIN "TW"** can be used with automatic dosing equipment. Immerse the detergent suction tube into the **MERLIN** drum. The equipment will then automatically control the amount of detergent which is fed into the tray washing machine. The exact proportion of detergent to water should be adjusted to suit your own particular requirements.
