TECHNICAL INFORMATION SHEET

SPOT

CARPET SPOT & STAIN REMOVER

SPOT – Carpet Spot & Stain Remover removes most types of soils including grease, oil, general dirt, coffee and tea stains, as well as heavy grime from most types of carpets before extraction machine cleaning. **SPOT** is designed for the commercial user to remove stubborn stains.

Features

Ready to use

Controlled Foam

Biodegradable

Benefits

Spray directly on to carpet stain, then allow to soak in after a little agitation, before extraction machine cleaning

SPOT is a low foaming stain remover.

Will not affect the natural bacteria found in sewage systems in either hard or soft water areas

Directions for Use

Always pre-test the carpet for colour fastness before proceeding. Use the product as supplied, spray onto the affected areas before machine cleaning with **CRUSADER** extraction carpet shampoo. For best results, agitate sprayed areas with a soft brush before following up with extraction machine.

HEALTH & SAFETY

In the event of accidental skin or eye contact wash off with clean water. For any eye contact seek medical advice
