

CHEMICLEAN PRODUCTS

TECHNICAL INFORMATION SHEET

SECOND SKIN

Universal Barrier Cream

A blend of lanolin's, antiseptics, emollients and water resistant oils **SECOND SKIN** forms an invisible glove to protect the hands from most soilings encountered in industry. As well as being a general purpose barrier cream, **SECOND SKIN** is also an ideal afterwork conditioner which leaves the hands re-moisturised and supple

Features

Versatile

Antiseptic

Economical

Pleasant to Use

Benefits

SECOND SKIN can be used before and after work to protect the hands from most soilings

The antiseptics contained in **SECOND SKIN** prevent bacterial growth, minimising skin irritation and infections

Only a small amount of **SECOND SKIN** is required to give effective protection and to re-moisturise the hands

SECOND SKIN is a non-stick lotion which leaves hands looking and feeling fresh and supple

Directions for Use

Simply massage a small amount of **SECOND SKIN** into the skin to protect against all major soilings. **SECOND SKIN** forms an effective barrier against oils, grease, fats, liquids, powders and dust, and is ideal for use wherever a barrier cream or skin conditioner are required
