TECHNICAL INFORMATION SHEET

STERICLEAN

Bactericidal Liquid Hand Soap

Stericlean the complete hand and body liquid soap for use in all situations where mild safe cleansing is required, coupled with efficient bactericidal action. **Stericlean** is odourless and is ideal for use in situations where high standards of personal hygiene and where sterile conditions are required. **Stericlean** has particular applications where food is handled and in medical situations. **Stericlean** contains a high concentration of a bactericide, which is effective against both gram positive and gram-negative bacteria, yet is completely safe to use on the skin.

Features

Bactericidal

Benefits

Stericlean is a completely effective bactericidal cleaner, which protects the skin from re-infection between washes

Economical

Only a small amount is required to clean the hands

Odourless

Stericlean is odourless, eliminating the risk of tainting, making it ideal for use in hospitals and food processing areas

Lanolin Enriched

Combats dryness and chapping, ideal for even the most sensitive skin

Biodegradable

Stericlean is fully biodegradable in both hard and soft water areas

Biocidal Activity

Efficiency of Stericlean against gram negative and gram positive bacteria:-

Micro-Organism	NCTC Contact Time for 100% Kill	Gram Reaction
Staphylococcus Aureus	4163 < 3 Minutes	Positive
Escherichia Coli	8196 < 5 Minutes	Negative
Pseudomonas Aeruginosa	6749 < 5 Minutes	Negative

Stericlean is also effective against the following micro-organisms:-

Salmonella sp	Proteus Mirabilis
Bacillus Subtilis	Streptococcus Faecalis
