TECHNICAL INFORMATION SHEET

THICK BLEACH

THICK BLEACH is a powerful hypochlorite disinfectant, which kills all known germs and destroys unpleasant odours by oxidation. It can be used for general disinfection of drains, toilets, sinks and waste bins

Features

Effective

Concentrated

Versatile

Biodegradable

Benefits

Kills all known germs

Has an available chlorine content of 7.5%

May be used for all general purpose disinfecting and for drains, toilets, sinks and lavatories, as well as for de-staining and bleaching

Will not effect the natural bacteria found in sewage systems

Directions for Use

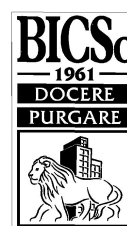

Disinfection: For toilet bowls, waste pipes and outdoor drains - use as supplied. For work surfaces - dilute 1 part with 100 parts water and then sponge, mop or spray the surface

To remove stains from white fabric: Dilute 30mls in 5 litres of water. Soak items for 5-15 minutes

To bleach white fabric: Dilute 10mls per 5 litres of water. Soak for up to 45 minutes

N.B. Do not use on coloureds, silk, wool or special finishes and do not allow undiluted bleach onto the fabric
