Our Price Promise

We guarantee to do our best to match or better our competitors' prices!

We keep a close eye on our major competitors' online prices to make sure that our prices are the best you will find. This means that you can rely on us to provide you great value and great service too.

We are confident that all prices on our site are better than our main competitors, and make you one simple promise. If you find the same product on another online store cheaper, we will do our very best to match it or beat it!

How to Order with the Price Promise

To order a product that you have seen cheaper elsewhere, please call us on **0121 523 8833 / 8844** or email us sales@chemiclean.co.uk with the details of the website where you saw the product cheaper. We will then check and confirm these details with you.

Subject to the following conditions:-

The main price match conditions
